

KING ISLAND CHRISTMAS

TECHNICAL REQUIREMENTS

SOUND

- Three multidirectional torpedo foot mics placed at the edge of the stage, OR three multidirectional hanging mics hanging above the chorus.
- Two piano mics.

Wireless Body Mics

(Body mics must be turned on when the character sings and turned off when he or she is done singing. See sound plot.)

- 7 wireless body mics to be placed on the following characters:
 1. Narrator
 2. Oomiak
 3. Little Eir
 4. Little Eir's Mother
 5. Captain Crawford
 6. Father Carroll
 7. Ooloranna
- If more wireless mics are available, use them for:
 1. Mary
 2. The Food Lady

Monitors?

If an orchestra is used, standard mic-ing with a (minimum) 16 tract sound board with reverb is needed.
